Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before

Parliament: Yes

Does your comment relate to the renaming of marine parks? Yes Please type your comments below:

As a recreational sports fisher woman i am planning on fishing Flinders Reef as part of the Townsville Game Fishing Club in the next year. As part of that expedition, fishing Flinders for food and game fish are all part of the experience. The club visits about once a year as a once in a lifetime experience. To close this to all fishing would be devastating to our adventurous anglers who promote tag and release and only take what we eat. Keep Flinders Reef open to game fishing and fishing.
