- North Network
- North-west Network
- South-west Network

Which marine park(s) are you commenting on?

What topic(s) or activity(s) are you commenting about? Oil, gas, or mining What part of the plan(s) are you commenting on? Part 4 - Managing activities Which program are you commenting on?

Please tick this box if you would like to keep up to date with all the latest information on Australian Marine Parks by subscribing to our email updates. :

Your submission may also be published online by the Director of National Parks. Please tick 'No' if you do not want it published. Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before Parliament: Yes

Does your comment relate to the renaming of marine parks? No Please type your comments below:

I'm extremely concerned that any oil, gas, or mining activities would be permissible in a marine park. A steady stream of compliance breaches from land based activities, inadequate rehabilitation budgets, and catastrophic failures like Deep Water Horizon indicates to me that the industries are yet to take environmental protection seriously. Large events have the potential to decimate our fisheries and send threatened species to the brink.

Not worth the risk.
