Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before Parliament: Yes

Does your comment relate to the renaming of marine parks? No Please type your comments below:

I would like there to be Sanctuary (1a) zones created in this area. I would also like there to be more green zones (National Park) so that a network of comprehensive, adequate and representative ecosystems are preserved. - particularly in the Bight and in the abrolhos I would also like to see higher protection for those areas used by the southern right whales and the blue whales
