

Hi Tony

Did you know ?????

1) *"The Australian Government is considering cutting the area of ocean Australia protects by 50%."???? ~ Thus giving Australia the WORLD'S WORST REPUTATION FOR WINDING BACK PROTECTION for our oceans ???*

2) *"In the Coral Sea alone, the area placed in Marine National Parks has been **halved.***

3) *"The same goes for Marion Reef. Even Osprey Reef, one of the top dive sites in the world has had half its area removed from the Marine National Park. Shark and Vema Reefs have been taken out of the Marine National Park area altogether.*

AND WORST OF ALL . . . . .

4) **"Midwater trawling is to be reintroduced, and it will be now be possible for long-lining to start at the southern tip of the Coral Sea reserve and continue all the way to the northern boundary."**

SHAME!!!!!

**PLEASE HELP STOP THIS RIDICULOUS EXPANSION OF IRREVERSIBLE DESTRUCTION !!!**

Sincerely & with thanks ~

K.Davies
