Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before Parliament: Yes

Does your comment relate to the renaming of marine parks? Yes Please type your comments below:

Renaming marine parks should reflect the true nature of the health and reality of each park.

EG - The Great Barrier Reef could be called the 'Average Barrier Reef' as it's almost dead.

Renaming endangered parks honestly will increase the local and international community awareness that is needed to support these marine ecosystems and in turn bring change to the management that governs their survival.
