Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before Parliament: Yes

Does your comment relate to the renaming of marine parks? Yes Please type your comments below: Users of our incredible facilities are highly aware of the need to protect and preserve our natural resources when in/on them in the main.

The access required by these people who in many cases have it as a major relaxation/ core life activity within their financial abilities should be afforded every opportunity to spend their leisure time in these areas.

It is an Australian way of life that needs to be made possible to all forever and not continually fought over through minority group resistance who may well be fuddled by self interest groups
