Your submission will still be considered in the Director's Report on the Preparation of the Management Plans, and may be provided to the Minister and tabled before Parliament: Yes

Does your comment relate to the renaming of marine parks? No Please type your comments below: Although access for recreational fishers will always be an issue with any Marine Park management, I would like to express my approval for this new draft zoning plan as it shows a much more fair and balanced plan which also recognises the importance of areas for recreational use as well as the economic and social value of sustainable recreational fishing.

No further zoning restrictions should be made.
